

Australian Citizenship Test

The Australian citizenship test has been designed to assist people who want to become Australian citizens gain an understanding of Australia's values, traditions, history and national symbols.

The test is an important part of ensuring that migrants have the capacity to fully participate in the Australian community as citizens and maximise the opportunities available to them in Australia. It will promote social cohesion and successful integration into the community.

Test Rules

There are some basic rules which you must follow during the test:

- **Test is timed** - You will be allowed **45 minutes** to complete the test (or 90 minutes in the case of an assisted test). No additional time will be made available.
- **This is a closed book test** - You must not bring any test resource material into the testing centre (this includes note paper, the *Becoming an Australian Citizen* resource book, study notes, etc).
- **Personal belongings** may be taken into the test site however these must be stored under the desk for the duration of the test. Mobile phones and all other electronic communication/gaming equipment should be switched off while you are within the test centre.

If you do not follow these rules, you may be asked to leave the test centre and may have to sit the test again.
